

Recommendation:

We do strongly urge all ships to plan their arrival at Nysted NO LATER THAN August 4.th, so that the audience has as many ships as possible to look at from the beginning of the jubilee arrangement. Thanks.

You earn some money when you sail the regatta to Rostock!

We remind you of the fact that there as in the earlier years is paid **TAX** to the **Hajkutters** which are enrolled to the regatta to Rostock. **Hajkutter TAX** consists of sponsor money donated in Germany and Denmark and distributed proportionally according to the length in meters of the single **sail-carrying** shark cutter. You can read a lot more about Hajkutter TAX on www.hajkutter.dk
We send you enclosed a **registration form** which **must be send as quickly as possible to Hanse Sail in Rostock under the fax number: +49 381 38112990 or via e-mail to hansesail@rostock.de**
Internet: www.hansesail.com

You can also send your registration via e-mail or letter to the Hajkutter Regatta in Nysted. We will take care of the rest. E-mail address: info@hajkutter.dk

Remember to write the date of arrival.

In expectation that all Hajkutters will support our jubilee arrangement, we look forward to your quick registration.
